

Our Mission Objective

At **SHREE BALAJEE GURUKUL** we believe, that the child of today is the citizen of tomorrow. It is our Endeavour to provide a congenial learning environment, a challenging academic atmosphere, exposure to all kinds of intellectual, physical co-curricular and extra curricular pursuits which make learning wholesome and rewarding.

The product of such an extensive education will have the Wisdom and strength of character to face the future with confidence and dignity. Our teaching methods are designed to be modern and progressive to develop the children's originality, self confidence and communicative skills through understanding, action and practice learning.

1. Our objective is to achieve the best possible academic standards.
2. To ensure All Round Growth – physical mental, aesthetic, social, moral and spiritual.
3. To inculcate humane, tolerant, liberal and secular values.

Our Academic Philosophy:

Our Strategy to achieve our mission

- ⇒ We have an Outstanding Competent and Dedicated staff.
- ⇒ An Outstanding Infrastructure.
- ⇒ Low class Strength, Perfect Teacher: Student Ratio.
- ⇒ Practical, Activity and Action based teaching methods.
- ⇒ Individual attention and free extra coaching classes for boards.
- ⇒ Extensive use of library and audio-visual aids.
- ⇒ Exposure to current, Social and Scientific Issues.

- ⇒ Regular PTA sessions (Monthly, every last Saturday 12-1 pm)
- ⇒ Prepare students for specialization later in the fields of arts, science, commerce and Computers.
- ⇒ Phonetic based language development and fluency.
- ⇒ Development of neuro – muscular coordination.
- ⇒ To achieve fluency in English (Written and spoken) through interactive teaching methods.
- ⇒ Counseling for learning deficiency, behavioral difficulties and to provide career guidance for the students.
- ⇒ School aims to be bag less, burden-less, exam less, for classes Nursery to class Second. Once a week class copies are sent home to enable parents to monitor their progress. All (home-work) assignments will be completed in the school under the guidance and supervision of teachers. Only tests (Oral/Written) will be conducted to evaluate the progress of the student.
- ⇒ All Project assignments must be completed at home and submitted timely for grading.
